

## Cookie Policy

This Cookie Policy provides information about how we use cookies when you visit our website or create or access an account through our website [www.cecar9.com](http://www.cecar9.com).

Cookies cannot harm you or your computer. They cannot contain viruses, cannot install harmful software and cannot damage your computer in any way. They cannot read information stored on your hard drive and are not used to run programs. Cookies are text files which contain small pieces of information, sent by a web server to a web browser which allows the server to uniquely identify the browser on each page. They will be stored on your computer or phone when you visit a website.

Cookies can then be used to improve your browsing experience. They help understand how the site or service is being used, navigate between pages efficiently and remember your preferences. They can also help ensure marketing you see online is more relevant to you and your interests.

The following are categories of cookies on our website:

- **Strictly necessary cookies**

These cookies are essential in order to enable you to move around the website and use its features. Without these cookies, services you have asked for such as remembering your login details cannot be provided.

- **Performance cookies**

These cookies collect anonymous information on how people use our website, such as count visits and traffic sources so we can measure and improve the performance of our site. The data stored by these cookies do not show personal details from which your identity can be established.

- **Functionality cookies**

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. These cookies remember choices you make such as the country you visit our website from, language and search parameters. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

- **Targeting cookies or advertising cookies**

These cookies collect information about your browsing habits in order to make advertising more relevant to you and your interests or to help measure the effectiveness of an advertising campaign. The cookies are usually placed by third-party advertising networks. They remember the websites you visit and that information is shared with other parties such as advertisers. For example, we use third-party agencies to provide you with

more personalised advertisements when visiting other websites. They do not store directly personal information, but are based on uniquely identifying your browser and internet device.

- **Social media cookies**

These cookies allow you to share what you've been doing on the website on social media such as Facebook and Twitter. Please refer to the respective privacy policies for how their cookies work.

- **Third party cookies**

We also use cookies provided by third parties, such as Google Analytics, to help us to understand how you use our site and ways that we can improve your experience. These cookies may track things such as length of time you spend on a page and the pages you visit so we can serve you better.

### **Deleting or disabling cookies**

Most browsers are set to accept cookies automatically. If you are uncomfortable with cookies and if you do wish to disable or remove cookies, please see the "Help" section of your browser or mobile device. Each browser or device handles the management of cookies differently, so you will need to refer to your appropriate "Help" documentation.

Please note that deleting or disabling cookies may affect a site's performance. This may also affect the functionality of other websites that you visit.

You have the right to decide whether to accept or reject cookies. You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our Website; however, your access to some functionality and areas of our Website may be restricted.
